[To accompany H. R. 6083]

The Committee on the Judiciary, to which was referred the bill (H. R. 6083) for the relief of Amalia Architetto, having considered the same, reports favorably thereon, without amendment, and recommends that the bill do pass.

### PURPOSE OF THE BILL

The purpose of the bill is to grant to the minor adopted child of United States citizens the status of a nonquota immigrant, which is the status normally enjoyed by the alien minor children of citizens of the United States.

### STATEMENT OF FACTS

The beneficiary of the bill is an 11-year-old native and citizen of Italy, who has been adopted by Mr. and Mrs. Vito Architetto, who are citizens of the United States.

Congressman Victor L. Anfuso, the author of the bill, submitted to the chairman of the Committee on the Judiciary of the House of Representatives the following information in connection with the bill:

HOUSE OF REPRESENTATIVES,
*Washington, D. C., May 13, 1952.*

Re H. R. 6083, for the relief of Amalia Architetto.

Hon. FRANCIS E. WALKER,
*Chairman, Immigration Subcommittee, Committee on the Judiciary, House of Representatives, Washington, D. C.*

DEAR MR. WALTER: In addition to all the papers I have submitted in this matter, I wish also to add my personal recommendation.

Mrs. Architetto, who has adopted this child, is a neighbor of mine residing only a few doors away. I have known her for many years and can certify she is a person of good character, enjoying an excellent reputation in the neighborhood.

As the other statements will show, she has practically raised this child as her

own. I know that Mrs. Architetto will be a good mother and that the child will be reared in a good home and excellent surroundings.

With kindest regards, I am

Sincerely yours,

VICTOR L. ANFUSO.
